Annual Report of the Committee of Management, 1960

To the Members of the Richmond Football Club,
Ladies and Gentlemen,

Your Committee of Management submits the Annual Report
of 1960 for your consideration and appraisal.

While our failures in premiership matches naturally present a very dismal picture and an all-time low for the mighty Tigers, we can claim that progress in all other spheres of activities within our Club must eventually lift the team from the doldrums and, in so doing, bring intense satisfaction to those supporters who have remained loyal to Tigerland throughout the last twelve years. It is difficult to assess the reasons for the unpredictable failures of players in matches during the 1960 season. It is remarkable that a team winning only two games should number as its two victims—Melbourne and South Melbourne (two premiership teams). Perhaps lack of experienced players might have been the fundamental reason. However, with our young veterans gradually acquiring that necessary experience your Committee feels that a complete reversal in the tally of games won and lost could be shown next season. We have every reason to believe that an intensive recruiting campaign over the past twelve months will result in certain weaknesses being rectified and we trust that the Tigers will repay their supporters by providing better exhibitions during 1961.

Another factor which severely limited local recruiting was the very poor district allocated to Richmond under the last revision of districts in 1954. Persistent efforts by our delegates to the Victorian Football League have now ensured that a long overdue revision will be made and we have no doubt that Richmond will benefit materially as a result of expected additions to our territory in the metropolitan area.

No Tiger supporter could complain about the opening game of the season when we held Carlton to a tie on its own ground. Brilliant exchanges of football characterised a grand exhibition and it appeared that our young players had arrived as a football force. However, a severe drubbing by Essendon, who played superlative football, started a landslide and sapped the confidence of an inexperienced side. In consequence, our young players apparently accepted defeat as inevitable and victories were few and far between. Many games were actually won but lack of concentration and experience turned prospective victories into narrow defeats. It would be futile to suggest explanations concerning these lapses. We knew that our youngsters could play football, but the unknown factor would crop up during a game and matches were lost in a few brief minutes of careless play. Towards the end of the season our lads realised at long last that they had the ability to win games and a good exhibition against Fitzroy on its own ground was but a prelude to capitalising on this realisation and its ultimate culmination in a glorious victory over Melbourne—the premiership side. Our supporters can certainly glean a measure of hope from this victory and accept it as an indication that the Tigers are at the turning of the lane. We are now at the bottom of the premiership ladder, but, like the Tiger when sorely pressed, we will become most dangerous and we confidently expect that season 1961 will see the Yellow and Black in the forefront of the fight for the Final Four.

OUR VICE-REGAL MEMBERS

We can only re-iterate our previous appreciation of the honour conferred by Sir Dallas Brooks in his acceptance of number one membership of our Club.

Owing to the fact that he was overseas for the greater part of the season, His Excellency was present at only one match, when, in company with Lord Dunrossil, he attended the Essendon game. We must admit he worked overtime when explaining the Tigers' defeat to the Governor General.

We would also take this opportunity of thanking the Governor General for the honour of his attendance and hope that his inaugural visit to our football code resulted in a pleasant and enjoyable afternoon.

Lady Brooks as chief Tigress and Christopher Byrne, her grandson, as chief cub, completed the trio of Vice-Regal members and they certainly set a standard of loyalty which members could well follow.

OUR PRESIDENT

We extend our congratulations to our President, Maurie Fleming, for his guidance in a very difficult year. When a team is losing matches it requires additional personal efforts and fortitude by the President and the Committee in offsetting the loss of revenue occasioned by falling gate receipts. Capable administration must be maintained and our President has been the guiding influence in ensuring that progress was continued in other spheres as a compensating factor for lack of success in the field. Your Committee has responded to every appeal by your President and has appreciated the courtesy extended by him at all times. If hard work was the only measuring medium of success, supporters could be assured that Maurie would receive a meritorious award from the Club since he has left no stone unturned by his own personal efforts in seeking the advancement of the Tigers. Despite a disappointing run of defeats, he has faced the task of revitalising Richmond with an optimism and loyalty that must inevitably meet with success. His confidence has been reflected in the various sub-committees of your Club and it is anticipated that the full benefit of his administration will be evident during the next two seasons.

CLUB MEMBERSHIP FOR 1960

We need members to revive the flagging interest in Tigerland. A mere total of 2,850 members is a poor reflection on the loyalty of thick and thin supporters. The traditions of the Yellow and Black have been sadly shaken over the past few years, but the continued support of present loyal members will help considerably in strengthening and hastening the come-back trail for the Tigers. An early purchase of season tickets for next year would assist our Club in its financial obligations. Might we suggest that the presentation of a membership ticket as a Christmas gift would give loyal supporters an enjoyable surprise.

In relation to the distribution and sale of tickets in the early matches, we are indebted to Norman Eyre, Les Roberts, Roy Hall, Lawson Muir, Charlie Phipps, Bill Francis, and John and Mick Ryan for their untiring efforts and co-operation. We extend to them our sincere thanks.

DELEGATES TO V.F.L.

Two new delegates were elected as your representatives to the Victorian Football League. In consequence, Jack Titus and Bill Tymms acted in that capacity during last season.

With Jack Titus on the Finance Committee and Bill Tymms on the Permit and Umpire Committee, your Club had very capable administrators on these sub-committees. They have sponsored quite a few changes which have benefited Richmond in particular and the League in general. In all major decisions your Club Committee of Management has been consulted by our delegates in order that the interests of Tigerland might be considered in conjunction with the interests of football as a whole.

We sincerely thank your delegates for their efforts on your behalf.

CHAIRMAN OF COMMITTEES

In view of the outstanding success of Ray Dunn in past years, it was a foregone conclusion that he would again be elected unopposed to this important executive position in your Club. Despite his many and varied interests in the legal world, Ray consented to act as Chairman of Committees for 1960 and Tigerland was fortunate in retaining his services in that capacity.

In questions of policy and finance we owe a lot to his business acumen and members can be assured that every aspect of the matter under discussion is thoroughly investigated prior to reaching a decision. With his legal training Ray can offer very sound advice and, in consequence, many pitfalls are avoided.

On your behalf we extend our appreciation and thanks to Ray for another excellent year of service.

CLUB EXECUTIVE AND FINANCE COMMITTEE

For the past season the Finance Committee consisted of Ray Dunn, Al Boord, Ron Garraway, Maurie Fleming and Bill Tymms, while the services of Charlie Priestley as Social Secretary and Chairman of Selectors were available to the Executive Committee.

In order that detailed consideration and investigation might be given to certain problems it is necessary that the Finance and Executive Committee spend many hours examining all possibilities prior to submitting recommendations for the ratification of the General Committee. We are fortunate that trained business executives are available in guiding the destinies of our Club and despite a loss of £1,500, through falling membership, your Committee has shown a credit balance on the financial operations for 1960. All members will agree that efficient administration by the Finance and Executive Committee has produced a fantastic result in a season when successes were few and far between.

Our grateful thanks are extended to each of these gentlemen for the time and energy expended on behalf of the Club.

SELECTION COMMITTEE

Team selection, training supervision and other related matters are under the control of your Selection Committee. This year the onerous and thankless task was entrusted to Charlie Priestley, Des Rowe and Jack Titus who were elected by the General Committee, and together with Alan McDonald (Coach) and Ron Branton (Captain) dealt with all problems concerning the team.

Following the policy of the previous season, the selectors again concentrated on youth in the re-building of the team. Although results were not generally satisfactory, we feel that this policy must be continued until the youngsters have gained the necessary experience to counter balance the shortage of mature players in our side. We visualise ultimate success for the policy of the selectors but realise that patience is necessary while awaiting results. We confidently assert that next year will provide adequate confirmation of the policy of our selectors.

We wish to commend the Selection Committee for their efforts in 1960.

VICE-PRESIDENTS AND COMMITTEEMEN

Our Vice-Presidents are unchanged in personnel and comprise Martin Bolger, Ray Dunn, Jack Dyer, Ron Garraway, Bill Pitt and Des Rowe. Only one change was made in the composition of the Committee. Owing to business reasons, Geoff Spring did not seek re-election and his place was taken by Roy Wright. Later Roy submitted his resignation and Bob Dickinson was elected to the vacancy by the General Committee. Other Committeemen remained unchanged from the previous year and Al Boord, Charlie Callander, Basil McCormack, Charlie Priestley and Jack Titus continued their association with our Club. It will be observed that our Committee of Management contains a happy blending of old players and business executives and naturally it is only to be expected that efficient administration must eventuate.

Ray Dunn in his capacity of Chairman of Committees and Honorary Solicitor continues to render valuable service. Ray is without peer in the legal fraternity and his advice as well as his time and services are always at the disposal of the Club, players, staff, officials and supporters. Without doubt, Richmond owe a deep debt of gratitude to him and we take this report as a medium of expressing our appreciation and recording our thanks for his consideration of everybody at Tigerland.

As Room Manager, Jack Dyer has fulfilled a long felt want in the clubrooms. Upon arrival every young player at Richmond is greeted by Jack who soon places him at ease and ensures that he is made welcome and introduced to the older players. His supervision of the training room has been most efficient and it would be no exaggeration to state that better control could not be found in any other League club. In recruiting, Jack has always made himself available for trips in signing the right type of recruit.

Martin Bolger was again appointed as Minute Secretary and has also assisted in our recruiting campaign. With the re-organisation of the Second Eighteen Committee, it was essential that we revise our administration of that team and Bill Pitt was allotted the task of managing its affairs. He carried out his duties in the same efficient manner that characterised his work in the social sphere and under his capable managership the Cubs functioned as a smooth running unit in perfect harmony with the Senior Eighteen. Ron Garraway continues as Director of Recruiting and has been unsparing in devoting his time and energy in ensuring that a progressive recruiting campaign was maintained. As a result another fine batch of young players will be available for the Tigers next season. In addition to his duties as Selector, Des Rowe has contributed valuable service in the recruiting field while his time and efforts have always been available for social activities.

Our Committeemen have rendered outstanding service in many different spheres. Charlie Priestley, as Social Secretary, has organised and conducted the various social activities in a most competent manner. Undoubtedly he has made a very big contribution towards the financial improvement of the Club and, in consequence, deserves the highest commendation from all Tiger supporters. Our congratulations to Charlie for his magnificent efforts during the past year. As usual, Charlie Callander, in his position as Property Steward, has been most conscientious in his duties and his efficient management of the gear and equipment has resulted in a considerable saving to our Club. Bob Dickinson, the latest addition to the ranks, has already impressed his colleagues with his clear and concise reasoning and progressive outlook and his readiness to help in all social activities. Two old players in Jack Titus and Basil

McCormack complete the complement of committeemen. Both possess a wealth of experience in football administration and have helped in many ways by their loyal service.

PUBLIC RELATIONS OFFICER

The original appointment of Public Relations Officer was made for a period of three months and subsequently extended for a further term of twelve months. Your Committee recently examined the work already performed by Maurie Fleming, our Public Relations Officer, and were unanimous in their opinion that the appointment was fully justified. The resulting goodwill occasioned through this work has resulted in numerous congratulations being extended to our Club. Also as a result of this appointment, the executive work has been streamlined and greater emphasis has been placed upon recruiting and other activities in the Club.

The benefits from this re-organisation are already apparent and it is evident that Maurie will continue his work of promoting greater efficiency and virility throughout the whole administration.

COACH FOR 1960

In his fourth year as Coach, Alan McDonald faced many difficulties with a young and unexperienced team. Despite many disheartening setbacks he persisted in his optimistic outlook and eventually planned the surprise of the year when his young players responded in the victory over Melbourne. Congratulations are extended to Alan for his efforts throughout the season.

At the time of writing it has been stated that Alan has decided to return to Bendigo where he has been appointed as non-playing coach of South Bendigo. If this eventuates we can assure him that he leaves Richmond with the best wishes of everybody.

CAPTAIN AND VICE-CAPTAIN

The selection of Ron Branton as Captain and Dave Cuzens as Vice-Captain met with the unanimous approval of all members.

As a pocket dynamo, Ron was a great inspiration to his team mates and with Dave as his lieutenant left nothing to be desired on the score of leadership.

Our thanks to Ron and Dave for their service and co-operation during the year.

PLAYERS

During 1960, thirty-five players participated in premiership matches with nine players making their first appearance with the Tigers. Ron Branton, Dick Grimmond, Tom Simpson and Graeme Wilkinson took part in each of the eighteen games.

Congratulations are extended to Dave Cuzens, Pat Guinane, Dick Grimmond, Neville Crowe and Ted Langridge who obtained selection in Interstate and V.F.L. representative teams.

The players were represented on the General Committee by Ron Branton, Ted Langridge and Col Saddington. These representatives were very helpful in maintaining a complete and harmonious liaison between the players and our Committee of Management.

We thank the players for their assistance during the year and despite their lack of success on the field we are convinced that they will render a better account of themselves in 1961.

TRAINING ROOM STAFF

In addition to Irvine Booth as Head Trainer and Alby Keyhoe as his assistant, we were fortunate in retaining the services of the following trainers: Jim Evans, Frank Hegarty, Ray Julier, Len McDonald, Stan Edward, Bert Matthews, Keith Cleaver and Syd McRae. Besides their training duties, this section of the staff formed the nucleus of a very strong social unit under the direction of Ray Julier. Our grateful thanks are tendered for their assistance.

Other duties in the training room were capably performed by Alyn Moore (boot studder), Bill Stanbrough (timekeeper), Roy Watkins (asst. timekeeper), Ken Pritchard, Ron Cleaver and Roy Webb (social stewards), Jack Chandler and Bill Palmer (door stewards), Charlie Callander (property steward), Gary Hender (asst. property steward), Bernie Gooley (players' property steward), Les Anders (training room steward) and Bill McDonald and Mick Ryan (general help). We take this opportunity of expressing our sincere thanks to each of these valued helpers.

HONORARY DOCTOR AND PHYSIOTHERAPIST

Our Honorary Medico, Dr. Leo Grogan, warrants our grateful appreciation for his untiring attention to injured players and we express our thanks for this continued loyalty to our Club.

In conjunction with our Honorary Medico, John Stanley, our Physiotherapist, spent a great deal of his time in attending injuries and we also thank him for his unremitting attention throughout the season.

BEST AND FAIREST

As will be observed from the voting details, the Best and Fairest award was won by Ron Branton in a photo finish with Fred Swift. Our congratulations are tendered to Ron on his success. Both Ron and Fred played most consistently throughout the year.

J. D. LANGDON TROPHY

The Best and Fairest award in the Reserve Grade was won by Alan Hayes. Only injuries prevented Alan from making more appearances in the Senior Eighteen. Congratulations Alan on your well deserved award.

J. J. SMITH MEMORIAL TROPHY

Undoubtedly the award for the Best and Fairest player in the Third Eighteen was well earned as Andre Kretsch maintained a very high record for outstanding service throughout the season.

BILL COSGROVE MEMORIAL TROPHY

A very good supporter in Don Cheeseman has donated the trophy for the best first-year player. The fact that this award was made to Graeme Wilkinson will meet with the general approval of all supporters.

LIFE MEMBERS

Jack Baggott, who played for nine years with the Tigers, has occupied the position of President of the Former Players' and Officials' Association for the past two years.

Alby Keyhoe has been associated with the Club on the training staff for the past eighteen years and has rendered excellent service during that time.

Your Committee unanimously recommend the appointment of Jack Baggott and Alby Keyhoe as Life Members.

FIVE-YEAR PLAYERS

Ted Langridge, Col Saddington and Tom Simpson qualify for five-year certificates and we extend our congratulations on the meritorious service they have rendered to the Tigers.

RICHMOND CRICKET CLUB

We tender our sincere congratulations to our cricketing Tigers upon winning the Championship of the Victorian Cricket Association. After a glorious fight back, they were narrowly defeated by South Melbourne in the final game for the premiership. In the current season the cricketers have already indicated that they will again be strong contenders for final honours.

During the season every co-operation and courtesy was extended by the officials of the Richmond Cricket Club and, in particular, we would express our appreciation to Jim Cook (President), Perce Maybury (Secretary) and Noel Baragwanath (Treasurer) for their help and advice at all times. Dave Goodson as the Cricket Club representative on our Committee was most helpful in all deliberations and it was a pleasure to welcome him to our meetings. We offer to Perce Maybury our best wishes on his retirement at the end of this year, after a lifetime of service to Richmond in the sporting sphere.

We also extend our congratulations to Syd Dockendorf, an ex-Tiger, who has been appointed Secretary to succeed Perce Maybury.

RICHMOND RESERVE EIGHTEEN

The continuance of the Reserve Eighteen matches as curtain raisers has met with the approval of most supporters and our Club will oppose any change in this respect. The Reserve Eighteen was utilised primarily as a training medium for the development of young players and notwithstanding lack of success, your Committee is convinced that this policy has been successful as several potential League stars have shown their ability in these games.

Under the capable managership of Bill Pitt and the co-operation of Dick Harris as Coach, the Reserve Eighteen has functioned as a very successful unit of our Club.

RICHMOND THIRD EIGHTEEN

Although the Third Eighteen did not participate in the final matches, it achieved its purpose of developing quite a few future League possibilities. Young lads like Dick Burrows, Bob Hickman, Ron Carder, Gary Sharp and Fred Caterall graduated to the Reserve Eighteen and with anticipated improvement should prove decided acquisitions for next season.

The administration of the Third Eighteen was competently handled by Bert Haswell and his enthusiastic assistants Dick Davis and Fred Price. Our sincere thanks to these helpers and to Bill Wilson (Coach) for looking after the welfare of the lads of the Third Eighteen.

RICHMOND FOURTH EIGHTEEN

Owing to a technicality the Fourth Eighteen was deprived of a premiership. The victory would have culminated a successful year in which Graeme Richmond (coach) and Dave Beaven (manager) worked very hard in advancing this nursery of Tigerland. Without doubt Richmond owe quite a deal to Graeme and Dave for their efforts.

PLAYERS' PROVIDENT FUND

Your Committee of Management decided to continue the payment of £4 per match into the Players' Provident Fund and we feel sure that supporters will approve of this decision. The Committee takes the view that the players furnish the entertainment for the public and, in consequence, should be adequately recompensed per medium of this means of superannuation.

DONORS TO CLUB FUNDS

It is most encouraging that our many Donors have rallied to the help of the Club and have shown that allegiance by their magnificent support during 1960. Another record was established in the amount received in donations and we can only offer our warmest thanks to all Donors for their continued help and loyalty.

DONORS OF TROPHIES TO PLAYERS

The players desire to express their appreciation to the patrons who have generously donated trophies during the year. Their thanks are extended to the following donors: Messrs. Maurie Fleming, Ray Dunn, Jack Titus, Al Boord, Bill Tymms, Bob Barry, Arthur Dummett, Don Butterworth, Dr. Grogan, John Stanley, Bill Richards, Theo Lewis, Bob Dickinson, Hoot Gibson, Jack Kennedy, Bill Hopkins, Alf Wilshire, Bill O'Brien, Don Cheeseman, Bill Stretton, Mark Henry, Bob King, Doug Stewart, John Ryan, Roger David, Jim Wilkinson, Jim Crow, Ted Langridge, Syd McKay, Alan Steele, Syd McRae, A. Thompson, D. Barbitteria, Jack Jones, Tom Clencie and Peter Cameron.

SOCIAL COMMITTEE REPORT

In submitting details of social activities we would be remiss if we did not take this opportunity of expressing our appreciation of the organisation and efficiency of our Social Committee, with particular reference to Charlie Priestley (Secretary) and his band of willing helpers including Charlie Callander, Alf Barnett, Ray Julier, Don Butterworth, Ron Faux, Ron Cadman, Dick Harris, Alby Keyhoe, Frank Hegarty, Irvine Booth, Bob Dickinson, Peter Cameron and Syd McRae.

Our annual visit to the R.A.A.F. at Laverton was the first social function of the season and a large attendance of players, staff and officials, with their wives or girl friends, certainly confirmed the popularity of this outing. Once again we are indebted to the men of the R.A.A.F. for their welcome and amazing hospitality. Their return visit to our rooms later in the year cemented the many friendships made over the last few years.

In lieu of the annual challenge match between the cricketers and footballers, we substituted another challenge match between the players and officials when we made our usual trek to the Seaford football ground. The officials had charge of the scoring and defeated the players by one run.

During the year six dances were held in the Richmond pavilion and club personnel were entertained. Our thanks are tendered to Ray Dunn, Ron Garraway and Des Rowe who acted as hosts on various occasions.

Pleasant Sunday mornings were a feature during the season. They enabled supporters to mix freely with players and officials and many enjoyable hours were spent. Special mention must be made of Arthur Lyster, popular 3AW commentator, who compered most of the entertainments. Our thanks are tendered to Arthur as well as Peter Langdon, Tex Donohue, Bill and Roger Harkin, Alan Paull, Jack Perry, Doug McKenzie, Dick Cranbourne, Roy Jacobson, Tom Campbell, Fred Russell, Alan Winch, and the Victorian Banjo Club who provided musical programmes which were fully appreciated by the large crowds in attendance.

As in past years, the Annual Ball was conducted at the Ziegfeld Palais, Hawthorn, and our thanks are tendered to Charlie Priestley for his usual capable organisation of this function.

A day trip to Shepparton followed the Annual Ball, but despite the tired feeling of some of our players, we were successful in defeating the Goulburn Valley League after a hard fought game. Our thanks are expressed to this League for their hospitality and organisation of the match.

The second annual Golf Day was held at the picturesque Keyborough course and despite inclement weather, proved an added attraction to our social events. The assistance of Ron Garraway, Des Rowe and Jack Titus helped considerably towards a successful day, while our congratulations and appreciation are extended to Ossie Pickworth for his tactical movements at the 19th hole.

APPRECIATION

Of necessity we are compelled to rely upon the goodwill of many people who assist in the many activities of a League football club. We may inadvertently omit acknowledgment of our indebtedness to some person for their efforts and, if such is the case, we humbly tender them our apologies.

On behalf of the Committee, players, staff and members of our Club we extend our appreciation and thanks to the following:—

The officials and staff of the Victorian Football League and, in particular, the Secretary, Eric McCutchan, and the Assistant Secretary, Jack Hamilton, for their unfailing attention and co-operation at all times.

The Press and their sporting writers for the publicity given to the Tigers by means of training notes, comments on matches and players and general news of the Club. Special tribute is paid to Alf Brown, Bob Buchanan, John Craven and Seb Jorgenson ("Herald"); Kevin Hogan, Rex Pullen, Jack Dunn and Lloyd Brown ("Sun"); Peter Bye, Bill Twomey and Ian McDonald ("Sporting Globe"); Percy Beames, Ron Carter, Bruce Welch and Sam Wells ("Age"); Bill Cathie ("Football Record"); and Alan McDonald and Gerry O'Callaghan (local correspondents).

Radio and Television personalities for their comments and coverage of various matches.

Nick Hosking, Ron Carr and George Maybury for their help on the playing arena and their assistance in the training rooms.

Mick Quadara for his donations of oranges and pineapples for players in the various games throughout the season.

Richmond News and its representative, Michael Lucy, for a true picture of the activities of our Club.

The medical and nursing staff of Prince Henry's Hospital for their constant attention to our injured players with special mention of the Medical Superintendent, Dr. L. Hudson.

Noel and John O'Brien for their generous donation of chocolates during the year.

Les Bryant, of the Commonwealth Employment Service, for his assistance in placing players in suitable employment.

BILL MORRIS	ARCHIE McNAIR

CARL WATSON	BERT COX
RALPH EMPEY	CLAUDE WILSON

Long may they live in our memories, and to their families and relatives and to other members and supporters who suffered bereavements during the past year we extend our deepest sympathy.

SECRETARY'S APPRECIATION

In terms of games won and lost the season left much to be desired, but a sense of optimism remains when the year is reviewed in its proper perspective. Your Committee has initiated many changes which will ultimately bring material progress to the Tigers. The pending revision of the district scheme, the re-organisation of the Social Committee and the amalgamation of all Eighteens under the unified control of the General Committee of Management must ultimately benefit our Club and I feel sure that the full impact of these changes will provide the necessary virility for a Tiger revival. Towards the end of the season a good victory over Melbourne certainly gave every indication that the tide had turned and I am confident that we can look forward to a higher place on the Premiership List in 1961.

I take the medium of this report to express my sincere thanks to Maurie Fleming, our President, for his support and co-operation throughout a very trying season. In addition, I thank the Committee, staff and players for their loyalty and help in the general administration of our Club and express my appreciation of the confidence of the General Committee in electing me to the position of delegate to the Victorian Football League where I will always strive to uphold the prestige of the Tigers.

I am intensely proud of my association with Tigerland, especially in view of the willing manner in which every section of our Club has endeavoured to lift Richmond from its lowly position.

Backed by the enthusiasm and loyalty of our many generous helpers, I am positive that in the coming season we will have the pleasure of watching a team well worthy of the highest traditions of the past.

In conclusion, I would appeal to members for their continued support in 1961. Tigerland needs your help in its fight back—we have reached rock bottom but next season will bring verification of the rise of the Yellow and Black. Buy your membership tickets early and thus give your personal help towards our advancement.

Bill Tymms, Secretary.

PRESIDENT'S ADDENDUM

On behalf of the Committee of the Club, I desire to convey appreciation to our Life Members, the members, our generous donors, and supporters of the Tigers for their loyalty to the Club during the past year.

This very excellent Report compiled by our Secretary, Bill Tymms, sets out in detail the assistance rendered the Committee by these ladies and gentlemen throughout a most difficult season, but there are many others not named who have desired to remain anonymous who have helped our Committee to administer the affairs of the Club this year.

May I particularly mention our donors. In the Report of 1959 we mentioned that a record had been set in that year with donations of £1,179 to the funds. This season the record has been broken again as £1,273 was received in cash donations, whilst a look at the Balance Sheet, contained herein, shows that complete donations for the year are £2,123, which includes an amount of £850 from special efforts of a very live and energetic body of our supporters. We eagerly look forward to a continuation of this support during the coming season.

The General Committee and the various sub-committees of the Club have worked hard to ensure success, and we feel that we must soon reap the benefit of their splendid efforts. Sure it is that there has never been a more loyal and sincere Committee working for the Tigers during its long history. I feel here that I must pay a personal tribute to three of our Committeemen for outstanding work in 1960, and I am sure that all other members of the Committee will support me in these remarks.

To our Secretary, Bill Tymms, who also took over the arduous duties of the Treasurer, we pay a special compliment. No one could have worked harder and longer than Bill in his efforts to help the Tigers this year. This Report is a record of the remarkable work he has performed for the Tigers. His work as Secretary-Treasurer, his representation of our views on the Victorian Football League, where with our other delegate, Jack Titus, he has already pioneered a number of innovations, particularly that of the revision of the V.F.L. District Scheme; Bill's efforts in the recruiting of new players and the carrying out of his other numerous duties has won him the esteem and admiration of our own officials and members, and also that of other League and Club officials. We wish Bill continued success in the work of furthering the interests of our grand old Club in the years ahead.

Our Deputy-Chairman and Chairman of Committees, Mr. Ray Dunn, has been invaluable to Richmond in 1960 with his advice and organising abilities. As Ray is also our Honorary Solicitor, he has many calls on his legal knowledge from the committee,

players and staff, but he has never once in the whole of the time he has been associated with the Tigers ever been too busy to give a hand. To me, particularly, he has been of great assistance, as he has the ability to sum up a position quickly and ably express his views on a wide variety of subjects. As one of the many honorary tasks at the Club he has undertaken is that of Trustee of the Richmond Ground, his efforts on that committee has been of much benefit to the Chairman of the Trustees, Mr. Jim Cook, and his co-Trustees. Ray's health has now improved, and we feel that we express the feelings of everyone at Richmond when we say we hope it will continue to be perfect, to enable him to play a major part in the future success of the Club.

To our Honorary Social Secretary, Charlie Priestley, and his wonderful committee of social workers, we owe special thanks. This Club has been very fortunate in the many fine Secretaries we have had in the past handling the social affairs at Richmond, but we are sure there has never been a harder worker than Charlie in this important position. The many functions and special efforts he has organised, and the many fine workers he has been able to induce to work with him have proved a great boon to the Tigers. Charlie also handles the important position of Chairman of Selectors and fills this onerous task with credit to himself and his hard-working Selection Committee. We can honestly state to our members that 1960 could have been a poor financial year for the Tigers but for the outstanding efforts made for us by Charlie and his band of social workers. We feel our members should know that our training staff and the players have also done their utmost to improve the position of the Club by co-operating wholeheartedly with Charlie throughout 1960 in the numerous functions he has organised. Our thanks to Mr. Arthur Lyster, Sporting Editor of Radio 3AW, who has been our honorary compere at most of our Pleasant Sunday Mornings, and who is a grand sportsman.

At the time of writing, Mr. Percy Maybury is retiring after a long and distinguished term as Secretary of the Richmond Cricket Club. We convey Percy our thanks for his help and co-operation at all times, and wish his successor, our former player, Syd Dockendorf, the best for a happy term of office. Happy retirement, Percy.

To Jack Dyer, Training Room Supervisor, our thanks for a fine job, and our appreciation to Charlie Callander, Bill Pitt, who did so well as Reserve 18 Manager, and his co-workers; Bert Haswell and his assistants who managed the 3rd 18; Graeme Richmond and Dave Beaven, of the 4th 18, for a good season's work for the junior players of the District.

Coach Alan McDonald is thanked for his services over the past four seasons. He has indicated his intention in the Press to return to his old team South Bendigo. We wish Alan the best of luck for the future. Dick Harris, as Assistant to Alan, again did a capable job for the Tigers.

To the Press, Radio and T.V. commentators for their excellent publicity to our team and for their co-operation all through the year. Special thanks to Mr. Michael Lucy, Editor of the "Richmond News".

In conclusion, may I thank all those loyal members who have done so much to assist the Tigers by their encouraging messages and their many gracious acts, and express the wish that 1961 will see a big change in the fortunes of the Club on the field.

Maurie Fleming, President.
